EXPERIENCE

Interim Art & Design Manager

March 2026 - PRESENT

LOVELAND LIVING PLANET AQUARIUM

Draper, UT

Leads a creative team of graphic designers, exhibit designers, and a photographer/videographer within the Marketing department. Works closely with the Director of Marketing to develop collateral that reflects the brand's voice and maintains a consistent visual identity. Piloted and managed a 10-week exhibit design internship, developing curriculum and mentoring our intern.

Graphic Designer

February 2023 - PRESENT

LOVELAND LIVING PLANET AQUARIUM

Draper, UT

Partners with departments such as Education, Development, and Husbandry to produce graphics that maintain a cohesive brand voice and visual identity. Creates engaging guest-facing collateral, including materials tailored for children, alongside strategic donor and partner focused content that supports the Aquarium's mission and priorities.

Grader, Proctor, Tutor

January 2020 - May 2023

UNIVERSITY OF UTAH MATH CENTER

Salt Lake City, UT

Graded and proctored exams and coursework for undergraduate math courses with 100–500 students, ensuring accuracy, consistency, and academic integrity. Managed large grading workloads and communicated grading standards with faculty.

Teaching Assistant

July 2022 - July 2022

ECCLES BEGINNING SUMMER BRIDGE PROGRAM

Salt Lake City, UT

Mentored first-generation college students as a summer math TA, supporting academic development, easing the transition to college, and fostering a strong program community.

Summer Design Intern

June 2021 - August 2021

TWELVE30 CREATIVE

Herriman, UT

Designed and produced custom invitation suites and event materials for weddings and special occasions, including invitations, save-the-dates, signage, menus, and day-of collateral, managing projects from concept through production.
